EDUCATION

Thomas Edison CTE Highschool, Queens — High School Diploma

September 2019 - Present

I am on the computer science track so I have learned to create and design websites and work on backend with python.

PROFESSIONAL EXPERIENCE

King Manor Museum, Queens NY — *General Intern*

July 2022 - August 2022

I worked as a general intern and collaborated with my coworkers on various projects that involve community outreach. I also gave tours to groups ranging from 2-30 people.

Bloomberg Arts Internship, Manhattan NY — *Intern*

June 2022 - August 2022

I participated in arts engagements going to various museums such as the MET and MOMA. I also worked on writing a personal statement for college through a writing class with Teachers College, Columbia University.

Boys and Girls Club, Queens NY — *Intern*

July 2020 - August 2020

Collaborated with my peers to come up with an app idea to help relieve stress by doing exercises then presented it to our supervisor.

Masjid Sunnat-ul-Jamaat, Queens NY — *Volunteer*

January 2017 - November 2022

Worked with the students teaching Arabic and helping give out food to people in the community.
